specific trading volume. This ensures the items are used to drive actual revenue rather than just being handed out.

- **Dantown "After-Action" Virtual Masterclass:** To satisfy the demand we saw on the ground in Abraka, we can host a specialized webinar for the DELSU community. This would allow Dantown reps to engage with the audience in a more controlled, structured environment to deep-dive into product features.

- **Expansion to Other Delta State Campuses:** Based on the massive "Publicity Reach" (5,000+ impressions) we achieved at DELSU, we have the blueprint to take this to other satellite campuses, applying the lessons learned here to ensure even smoother execution.
